

04.09.24 Wednesday

12:00 - 14:50 – registration

Session 1 – Regulation of meiotic entry and progression

14:50 – 15:00 – conference opening

15:00 – 15:30 – **keynote speaker: Arp Schnittger**

15:30 – 16:30 – 3 talks selected from abstracts

16:30 – 17:00 – coffee break

17:00 – 18:00 - 3 talks selected from abstracts

18:00 – 19:00 – dinner

19:00 – 21:00 – poster session with beer and snacks

05.09.24 Thursday

Session 2 – Chromosome pairing, synapsis and segregation

9:30 – 10:00 – **keynote speaker: Mathilde Grelon**

10:00 – 11:00 – 3 talks selected from abstracts

11:00 – 11:30 – coffee break

Session 3 – Understanding the mechanism of recombination

11:30 – 12:00 - **keynote speaker: Raphaël Mercier**

12:00 – 13:00 – 3 talks selected from abstracts

13:00 – 14:00 – lunch

Session 4 – Crossover control in generation of genetic diversity

14:00 – 14:30 - **keynote speaker: Wojtek Pawlowski**

14:30 – 15:30 – 3 talks selected from abstracts

15:30 – 16:00 – coffee break

Session 5 – Meiosis in genome evolution and polyploidy

16:00 – 16:30 - **keynote speaker: Kirsten Bomblies**

16:30 – 17:30 – 3 talks selected from abstracts

19:00 – gala dinner

06.09.24 Friday

Session 6 – Emerging technologies in plant breeding

10:00 – 10:30 – **keynote speaker: Holger Puchta**

10:30 – 11:15 – 2 talks selected from abstracts

11:15 – 11:45 – coffee break

11:45 – 12:45 – 3 talks selected from abstracts

12:45 – 13:00 – poster prize and conference closing
